Below are some area specific statements and/or questions to GUIDE your responses (Please feel free to also include behavioral information).

On the attached form in the **Summary of Assessment(s) Results** section, please respond specifically to the statements or questions below **IN NARRATIVE/DATA FORMAT**:

In **Oral Expression**, does the student:

- use age appropriate vocabulary?
- know how to begin, maintain and end a conversation?
- restate thoughts in alternative form?
- tell stories or relate information in the proper sequence with
beginning, middle and/or end?
- use speech rather than gestures to express self?
- speak easily without seeming to be frustrated?
- formulate sentences correctly with correct word order and grammar?
- understand rules of conversation?

In **Listening Comprehension**, does the student:

- ignore auditory distractions?
- respond after first presentation and asks for things to be repeated?
- understand materials presented through the auditory channel (lecture) as easily as
those presented through the visual channel (written/drawn)?
- demonstrate understanding of vocabulary?
- comprehend questions?
- understand concepts of time, space and quantity?

Rate the student's communication skills as above average, average, below average, or well below average when compared to same-age peers.
